Register Now!

After registering, you will receive a confirmation email containing information about how to join the webinar.

If this is your first webinar:

Webinars are typically 1 hour long. We present for about 30 to 40 minutes. When the webinar starts everyone will be on mute except the presenter. You may ask questions throughout the webinar in the chat window and they'll be answered as we go. At the end of the webinar we'll do a quick recap of those questions as well as answer any other questions you may have. You may ask anything you'd like!

Please Note: Using Chrome is recommended for best performance.
