Holten Flat Iron Steaks
12/6 Oz Each
#6044... \$49.99
See pg. 14

"My absolute favorite steak in the world is the Holten Flat Iron Steak! It is so easy and just melts in your mouth when you eat it. We found our favorite way to prepare it is to oven bake (from frozen state) for about 25 minutes, take it out and sear it in a hot skillet - 1 to 2 minutes per side - then let it steam on a tinfoil covered plate for about 8 minutes.
