

CINNAMON ROLLS 4.0 OZ

HANDLING INSTRUCTIONS

THAW. Remove 8 rolls from freezer place in a 2x4 configuration in a deep pan. Cover with plastic and place in refrigerator overnight a minimum of 6 hours.

PROOF. Place rolls at room temperature until they reach 65° F about 3 hours* until the rolls are about double.

BAKE. Place rolls in 350° F oven for 14-16 min, or until golden brown.

FINISH AND SERVE. Smear with cream cheese icing.

*Times may vary due to room temperatures.

**This temperature is based on a convection oven; rack ovens and convection ovens must be adjusted accordingly.
