All Products Leaving 2021 Catalogs as of 4/09/2021

To find a specific item search by hitting ctrl+f

We know it can be frustrating when a favorite products leaves the catalog. Due to typical changes from suppliers and restraints with warehouse and freezer space, every product can't be in the catalog all the time. Sometimes a product is discontinued by a supplier, and some products rotate in our catalogs throughout the year. We try to share as much information as is reasonably possible with our Reps on the 'Products Leaving List' so customers can stock up before their favorites leave. If no reason is listed, demand for this product was low and the sales did not support leaving it in our catalogs. Please check this list each month to be well informed of product changes.
