

# Product Changes due to Clean Room Change

**Announced on Flex Friday 4/30:** We are closing the clean room and will be contracting out the bagging down of several mixes. There are a few mixes that we have chosen to discontinue due to lower sales, but most bagged down items are being replaced with new products from different suppliers that we believe are equal in quality. Some items may still be special ordered. Please [Click here](#) to view the complete list of products affected and their replacements. The last catalog to stock up on some of these will be Catalog #6.
